Patient Information and Consent Sheet Regarding Televisit /Non-Face to Face services / Chronic Care Management (CCM)

Medicare and commercial insurance purpose: non-face to face services (Ex. Certification, Referral, filling forms, getting prior auth etc.) and/or CCM and Televisit are billable. CCM is for patients with two or more chronic conditions expected to last at least 12 months, or until the death of the patient, that place the patient at significant risk of acute exacerbation/decompensation, functional decline, or death.

PCAIMA will be following the Centers for Medicare & Medicaid Services (CMS) and commercial insurances guidelines starting January 1, 2020, and will submit claims to insurance for such non face-to-face and/or Chronic Care Management (CCM) and Televisit, of Medicare and non-Medicare patients that require non face-to-face services between their scheduled office visits at PCAIMA for issues such as medication management, medical concerns, and triage and management of phone-based issues that might occur anytime over a 24 hours per day basis. Your face-to-face visits for evaluation and management in our office are still necessary and recommended to provide best care and to remain a patient in our practice. You may contact your insurance for further information about non-face to face Chronic Care Management (CCM). Please sign below to acknowledge understanding of non-face to face /CCM service:
